## PRAYER TIME FOR EASTER

Dear Friends in Christ,

Hasn't it been lovely to look out the window and see the sun shine? I know it gives me a boost and I look forward, not just to more sunny days but to warmer days ahead. Hope you're all able to enjoy the sunshine, including looking out through the window! Let's thank God for every day.

Heavenly Father,

We thank you for all the seasons. Somehow Spring seems special. We give thanks for sunny days. Thanks too for the wonder as we watch tiny shoots spring up out of the dark earth. Then the joy as the flowers burst open, letting us marvel at the beautiful shapes and colours. Thank you most of all for sending Jesus to live, die, be entombed then rise again - that we all can have eternal life. What wonderful love! Help us to share this love— spread this love all around - that many more will know of it and accept it. Bless Dr Graham and Mr Bob Kane in their work for you. Bless their loved ones too. Bless Abbey and Dirleton congregations. May the children appreciate that Easter is not just about eating chocolate eggs. Help us teach them of the glory that we feel as we acknowledge Jesus' death on the cross, the rolling away of the huge stone, and the privilege of knowing Jesus did this for us all. Thank you Lord. We pray for all who are still restoring their homes & businesses after the floods. We remember the people in Syria, and all the other places, where wars dominate their lands. Lord, open the eyes of those in responsible positions. Help them to see peace is what is needed. Bless the sick - in body, mind & spirit. Care for those who nurse them. Uplift the sad and lonely ones among us. Comfort those who mourn. May they all be aware of your presence and your love daily. Amen

*Betty Hawthorn (Prayer Secretary)*

May we all give thanks to God for all his goodness. May we enjoy the spring flowers and the lambs playing in the fields.

## Prayers for Holy Week

This year's ACTS Easter Resource was prepared by a team from The Salvation Army, Jack in USA, Christine and David from Australia and Jacqueline and Alan Dixon from Scotland. The theme is based on making choices. The daily prayers are set out below. For the full text, please see website - <http://www.acts-scotland.org/>

**Palm Sunday Prayer:** Thank you Jesus that riding into Jerusalem that day you chose to identify, not with the proud and mighty, but with the meek and lowly - you chose to identify with me. Help me in my daily living to follow your example

**Monday Prayer:** Lord give me the courage to choose to respond out of my values, not react out of my emotions

**Tuesday Prayer:** Father God, may I be extravagant in my love to you. I want to offer you my dearest and best

**Wednesday Prayer:** Father God, cleanse my heart of selfishness and prideful thoughts; incline my heart and mind to faithful obedience; teach me your will.

**Thursday Prayer:** When life seems to be full of uncertainties and we question and doubt, help us to remember that you are there and you are still in control. When things work out well - help us to rejoice that you are there and you are still in control!

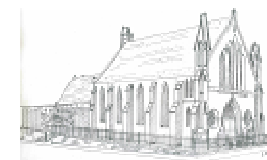

**Friday Prayer:** Thank you for choosing the nails. Thank you because in my darkest hours, in my times of pain and grief - you understand - you feel the hurt with me.

**Saturday Prayer:** Lord, You know that today, I am full of love, - but how can I say what the years will prove - so turn these moments of faith into years of grace?

**Easter Sunday Prayer:** I AM the resurrection and the life; He who believes in Me will live, even though he dies.....

(John 11.25)

Lord help me to rejoice in this!

Dear Friends,

The Church of England recently published the results of a study of church growth in their denomination. I found it very challenging reading, and many of the points apply equally well in the Church of Scotland. One of the issues highlighted is the shortage of ministers.

*"Many churches are not nurturing vocations. The fact that only one third put forward candidates for ordination in the past decade is noteworthy."* I would say it's also worrying! I don't know what the equivalent figure is for Scotland, but I guess it would be far smaller. To my knowledge, Abbey & Dirleton have not had a 'home-grown' candidate for ministry for well over a generation.

Recruitment and training for Ministry in the Kirk is at an all-time low. That has a knock-on effect in long vacancies, and people from other congregations having to help them out. There are at least three of our own congregation doing that at in other congregations the moment.

However, one of the saving graces of the situation down south is the way they are utilising lay workers. Many congregations and church groups are led by people who are not ordained, and sometimes have no formal training. Our traditional outlook may gasp at this, but the fact is that it is working! In England, that is. And what of us 'up north'? We need to play catch-up! Schemes like Locally Ordained Ministry are developing, but will have to play a much larger role in church life in the future. And of course they need people who are called to serve.

Your minister,

David

From Easter to Pentecost (June 1<sup>st</sup>) we will look at the early church in Acts and Paul's letters.

Over the summer, the Commandments will occupy our thoughts.

*Easter Sunday 20<sup>th</sup> April: 8am outdoor service* at the 'Haugh' car park (on the hill at the far end of the East Bay, past the Glen Golf Club), followed by breakfast in Abbey Hall. Join us to celebrate the resurrection!

The Abbey evening services will study Jesus saying 'I am'. Evening services stop for the summer at the end of May, but please note these special events:

## Getting to know you better. . . . (cont'd)

Our thanks again to Mike Weaver for this months contribution -

### *8. Favourite bible story, and why?*

The parable of the return of the prodigal son (Lk 15:11-32) - it has some personal relevance in my life. Also Matthew 22:34-40 because it reminds me of how I should strive to live always.

### *9. Inspirational figure from history, and from cinema?*

Abraham Lincoln - an leader with foresight, vision and determination to succeed. Also, always a source of wonderful quotes such as 'Am I not destroying my enemies when I make friends of them?' and 'Sir, my concern is not whether God is on our side; my greatest concern is to be on God's side, for God is always right.'  
Stephen Speilberg - perhaps not so much the person but some of the films he has been involved with, especially Schindler's List and Saving Private Ryan.

### *10. Which part of Abbey Church life would you like to be involved with more?*

Prayer - this is the fuel that fires the engine of the Church.

### *11. Who is your literary superhero (author or character)?*

Tom Clancy - always provides a great read to lose oneself in, and a sad loss to the literary world.

### *12. Whose blogs or newspaper columns do you read on a regular basis?*

My friends James and Lee who are on a trip down through Africa and on to Sri Lanka with end destination of India - great blog!

### *13. You have three shots on heaven's jukebox. Which tunes do you play?*

Afterglow - Genesis

All at Sea - Jamie Cullum

Mary's Place - Bruce Springsteen

**Session Matters** The Kirk Session met at the beginning of March for normal business. Now that we have Committees covering the different areas of work in the congregation, much of the work goes on inbetween Kirk Session meetings. For example, the Resources Committee are spear-heading the work on the new website, helped by representatives from each committee. We look forward to the website being ready to "go live" in a few weeks' time! It will be updated regularly with new information. At the end of last year, the church was very fortunate to receive legacies from Mrs Goodall and Miss Muir. The Kirk Session will be considering how best to use these funds in the future. The Worship Committee recommended that the Evening Service on 18<sup>th</sup> May be cancelled to allow people to attend the Heart and Soul afternoon in Princes Street Gardens. The Outreach committee has agreed a new leaflet to be delivered to all the new homes in Gilsland Grange, which is in our parish. The work of Inspire is growing and we noted that the Trust is looking to increase the hours for the youth worker, and possibly add a new assistant to develop music and worship. The Annual Report will be ready for the congregation to read at the beginning of April, with the Annual Meeting planned for 27<sup>th</sup> April. This Report will show what Abbey has done throughout the year for our members, for the local community and further afield. October will see the 25<sup>th</sup> anniversary of the linkage of Abbey and Dirleton congregations. A joint working group has been set up to look at how to commemorate this occasion. If you have any ideas to contribute, please let me know! Abbey's Church of Scotland Ministry in Mission contribution for 2014/15 has been calculated as £50,653 which is about £4,000 up on last year. This covers the cost of our Minister and contributes to the costs of Ministers in other churches, as well as Mission projects within the Church of Scotland.

The Kirk Session next meets on 31<sup>st</sup> March with Graham Duffin and the Local Church Review team from Presbytery. *Sally Penman*

## Lent Reflections - What Lent means to me

*Andrew Kimmitt, member Coldsides Parish, Dundee*

There is nothing comfortable about lent but, despite that, I love it. Perhaps because it isn't a fixed date, I find that Shrove Tuesday sneaks up on me, and suddenly I'm thrust into the season of reflection and repentance. Just as the Spirit suddenly led Jesus into the wilderness, I find that lent very quickly reminds me of my inability to provide for myself and my ultimate reliance on God's graceful providence.

From that starting point, with realignment of internal priorities, lent takes me on a spiritual journey of reflection and discovery. In years past it has been a good time to heal and repair, or to reflect on my place in life, or to discern the first steps on future paths. I am comforted, enlightened and sustained by God during lent, during my prayer, my reading, and especially when I allow myself to explore the silence of my spiritual wild places. Inevitably lent takes us to join Jesus and his disciples for the drama of passover time in Jerusalem. From the triumph of Palm Sunday to the tense and anxious celebration of the last supper, where the disciples, offered bread and wine, are yet to experience the horror and learn the hope of Jesus offering his body and blood.

The Lenten journey is one of preparation: we prepare to journey with Jesus to the cross. We journey to Golgotha not because Jesus needs our help or accompaniment, not because we have anything we can offer, and not because we could ever hope to take his place. We walk that path because, as God-With-Us, Jesus Christ set foot in our world, and it is our calling as the Church to receive and learn of a God determined to be Love for us.

## Puzzle Page - Jesus is Alive!

On Good Friday, Jesus was crucified, dead and buried. The next day was the Sabbath, and Mary couldn't go to the tomb where Jesus was buried as people were not allowed to travel or work on that day. So, early on Sunday morning, Mary went to the tomb. She got a huge surprise as the stone had been moved from the front of the cave. Mary was very upset as she thought someone had stolen the body of Jesus. She ran to tell Peter. Peter and John hurried to the tomb. Only the cloths that Jesus had been wrapped in lay there. Peter and John went away, puzzled. But Mary stayed at the tomb. Suddenly, someone was near her. Mary thought it must be the gardener, and she asked him if he knew what had happened to the body of Jesus. But when he said her name, 'Mary', she recognised his voice. She knew it was Jesus. Jesus is not dead. Jesus is alive.

## Gethsemane Prayer

Jesus, our brother,  
once you knelt sleepless  
in the darkness of a garden  
alone  
and wept and prayed,  
sweating, bleeding,  
with the pain of powerlessness  
with the strain of waiting.  
An angel offered you strength -  
But it was a bitter cup.

We pray for all  
who wake tonight  
waiting, agonising,  
anxious and afraid,  
while others sleep:  
for those who sweat,  
and bleed, and weep alone.  
If it is not possible  
for their cup to be taken away -  
then may they know your presence  
kneeling at their side  
Amen
