Come along. All welcome.**

Dear Friends,

Easter is earlier this year. In fact it's one of the earliest dates it can fall. This year it's March 27<sup>th</sup>, and the earliest possible date is March 22<sup>nd</sup>. Don't ask me why; it has something to do with what T.S. Eliot once called 'complicated long-division sums'.

The Archbishop of Canterbury recently suggested that all churches should agree on the date of Easter, and have it as a fixed date like Christmas. His suggestion was not just about the calendar, but a much deeper issue of Christian unity. How can we claim to be one universal church when we don't even celebrate the Resurrection together?

Yet many of the things which separate us as Christians are being healed. For example, the Pope and the Patriarch of the Russian Orthodox Church recently signed an agreement which healed a schism between their churches going back almost a thousand years. In a joint declaration they also urged the world to protect Christians from persecution in the Middle East.

Perhaps this is one of the key issues in unity; that we agree on what is important in our worship, our prayers, and our mission in the world.

It may be inconvenient or even confusing to us when Easter moves around and we're trying to organize our holidays. But that's a small matter compared to the meaning and message of Easter of forgiveness and new life, and of justice & peace in the world. Let's celebrate these things this Easter and every day of the year!

Your minister,

**David**

### Regal- March Meeting

How very fortunate we are to live in such a beautiful part of Scotland. Not only has North Berwick been described as the Biarritz of the North, but it is also on a stunning coastline, and surrounded by delightful countryside. We should make time to discover and enjoy the many aspects of the country-side around us as John Muir did many years ago.

### March Prayer

Dear Friends in Christ,

Wow! Hasn't our weather been changeable? From John o 'Groats to Lands' End we've had lovely blue skies, sleet, snow, gales, calm seas—The lot! We've been blessed and brought safely home. Like on the Road Home' Jesus is with us all the way! Let us pray.

Heavenly Father,

We owe You a massive 'Thank You' for keeping us safe, and being there whenever others knew they wanted to 'hold on' during dangerous days. We are all truly glad to be able to turn to You whenever and wherever we are. We ask You to draw near to all who need You. Bless them Lord, together with those who are still seeking You.

Bless all who are ill—in hospitals, homes or at home. Bless all who care for them day and night. We pray the disputes throughout the NHS will be sorted with a fair deal—soon.

Bless Dr Graham and Mr Bob Kane and their loved ones, and all involved with Abbey and Dirleton Churches. Thank you Lord.

We give thanks that on both Women's World Day of Prayer on 4th and International Women's Day on the 8th of March, we focus on Cuba and women's care worldwide. We praise you Lord for World Water Day. We think about those who don't have clean, healthy water—and realise how grateful we are—We just turn on a tap!! We remember all who are still cleaning up after the dreadful floods. Thank You God for every gift we gladly accept from You.

We ask these things in Jesus' Name. Amen

Betty Hawthorn (Prayer Secretary)

We will soon be in March—watching/smelling all the beautiful flowers and shrubs. Let us appreciate them.

## Wanted Knitted Baby Clothes for Uganda

Knitted Baby garments for Rugarama Hospital in Kabale, Uganda, continue to be gratefully received by Dr Mateeka and his staff.

These are posted out when sufficient are accumulated for a 2Kgm package for posting. If there are enough, 2 packages are made up.

I would like to **sincerely** thank the ladies in both Abbey and St Andrew Blackadder Churches, and those ladies in Dirleton Court, for their labour of love, to produce these lovely little garments.

Thank you also to those who have generously contributed to the cost of postage over these past 10 years. I am most grateful.

( I started sending out knitted garments after I returned from my first visit to Rugarama Hospital in 2006. How time flies!)

Because the water in which the garments are washed is not 'clean' to our standard, bright colours are much appreciated.

Thank you so much for your ongoing work.

On

Thursday, 10th March Sam Ranscombe, the Countryside Ranger with East Lothian Council, will give us a presentation 'A talk on the wild side'. Sam organises hikes for the younger generation and gentle walks for the less nimble. She will tell us about activities such as rock-pooling, hill walking and geological explorations.

Our meetings are open to all people of North Berwick and the surrounding villages. After the meeting we sit down to a soup and sandwich lunch prepared by the ladies of Abbey Church.

I look forward to seeing you on Thursday, 10th March at 12 noon.

## Street Pastors

*'The only thing necessary for the triumph of evil is that good men do nothing.'*

Major factors in Jeni Storey's decision to become a Street Pastor were, the memory of the above saying by Edward Burke and the feeling that if someone had spoken to, and reasoned with, the London rioters in the summer of 2011 violence may have been

avoided.

At the joint Guild meeting of Abbey and St Andrew Blackadder Jeni explained that the street pastors come from 20 different churches in Edinburgh. She described how they stock up with everything from first aid kits to flip flops and venture out late at night into areas where the police have told them trouble is to be expected. Examples of some of those whom they had helped were; getting medical assistance for a young man who had been attacked; seeing that a girl from abroad who could not find her way home was delivered safely to her hostel; praying with and for a man who was about to return to Afghanistan and for a boy who was worried about his student debts and was desperate to find employment.

They hope to have more volunteers joining them to help patrol the streets of Edinburgh on Friday and Saturday nights. Although we, in North Berwick, are probably too far away to become volunteers in Edinburgh, it is a most worthwhile charity to support.
