Seaside Rock Holiday Club
is coming to Abbey Church!
More info in newsletter....

Dear Friends,

I came across a local headline recently which made me do a double-take: *'Abbey Church is finally sold. After lying empty for decades, it finally went under the hammer for £32,000. Built in the 1850s, it has remained empty since it was closed. Proposals put forward include turning the building into an arts centre, shop or housing'*.

The building in question is in Dunbar! but it reminded me of our recent Local Church Review. Based on extensive work in the Church of England, we learned that a church with no children is one which is on the road to closure.

I wonder how many children and young people there are in Abbey who are in full-time education? It may surprise you to learn the answer is almost 40, and that's not counting the grand-children of our 300 members. Where are they?

Our Sunday Club team put in a lot of time & effort to provide something for kids on a Sunday. Sometimes we're dismayed by the poor response. We will continue to organise this until at least this summer, when we hope to run a Holiday Club on Sunday mornings in July, as we did last year. After that, I can't promise what will happen.

This is an issue for all of us, to offer any support and encouragement to them. We can't just leave it to others.

North Berwick has been looking for a venue for an arts centre for some time. It would be a great asset to the town. But maybe you don't want that to be the future of our church building? That may depend on each of us.

Your minister,
David

Lets Jump for Joy in June

Dear Friends in Christ,

We've had some lovely days since the start of this year. I know I love June and enjoy looking back on all the special days we, as a family, have had. Lets praise the Lord for all His gifts to us!

Lord God, Than You for every precious gift You freely give us. We give thanks for the gift of good health and ask you to heal those who need Your special healing touch, and those who care for them. We pray specially for those at war; those who are killed and leave loved ones behind; those who are injured and are cared for in difficult situations. We ask you to bless all who volunteer to go to these places and do the essential work. Bless too, all at home who work hard, raising funds for these war-torn places.

Bless our Minister, Dr Graham, and pastoral assistant Bob Kane, and their loved ones. Bless all connected with Abbey Church; those who come year after year, and those newly within the fellowship. Keep our elderly and our young ones safe from all that would harm them. Thank you lord that You care for us all and never let us forget this.

We ask these things in Jesus' name, AMEN

BETTY HAWTHORN (Prayer Secretary)

Friends, let all around you join in as you jump for joy!

Rosslyn Chapel

Rosslyn Chapel was founded in the mid-15th century and originally had six ordained canons and two boy choristers. The purpose of the chapel was to celebrate the passing of the day with prayer and also to celebrate Holy Mass for the faithful who had departed .

Since the late 1980s the chapel has also featured in speculative theories concerning the Freemasons, the Knights Templar and the Holy Grail.

Rosslyn Chapel was prominently featured in the 2003 bestseller, The Da Vinci Code and thereafter in the film adaptation.

Regal has been very fortunate as we have managed to arrange a private tour of the chapel with a guide on Thursday, 11 June 2015 commencing at 11.00 am; however, we must have a minimum of 12 people in our party. All ladies and gentlemen in Abbey Church are welcome to join the tour. After the tour we will have a light lunch (soup and sandwiches/paninis) in the Rosslyn cafe. The concessionary entrance fee is £7.

If you would like to join this private tour please send an email (im.aitken@btinternet.com or telephone 890070). We will go by car and any person who wishes a lift should indicate to me that they would like transport.

This outing to Rosslyn will be my swansong as organiser of Regal as I feel it is time to hand over the reins to someone with fresh ideas. If you would like to take over the Regal helm please have a chat with me.

SUMMER AFTERNOON TEAS -2015

We will once again be serving summer afternoon teas from 2.30pm - 4.30pm on Sundays in July in the New Hall. Help is needed and anyone willing to organise a Sunday, assist with serving, washing dishes, collecting money, setting up and clearing up and of course baking would be very much appreciated and welcomed. Please contact Dorothy Kirkpatrick 89 2074 or Joyce at the office 89 2800 if able to help. Please, please come along and support us and enjoy delicious home baking. We look forward to seeing you. As in previous years, St. Baldred's Church will be using the hall for their summer teas in August. Again this year the money raised will be given to local and church charities.

Christian Aid Forth Bridge Sponsored Walk

Thanks very much to everyone who took part in the Bridge Cross on 25 April and also to everyone who sponsored people. A great time was had by all and our prayers were answered with a lovely sunny day. The Abbey Church walkers will have raised £2,000 approximately by the time all the sponsor money is received. If you still have pay up - it would be great if you could do so very soon.

Great Abbey Bake-off spreads its wings

Dreamers and Doers

There is nothing better than helping your granny in Scotland during the Summer, to bake scones and tablet for the community church which is the Abbey Church. Baking these goods may not sound so special and beneficial to the community, but it helps the community very, very much. How might you ask? Well, first me and my granny make the treats, then we go to the church and sell them at the church coffee (all goods usually sell). Then after the tablet and scones are sold, we put the money together and give it to many charities such as Indian charities and homeless charities. A few charities are called "Bethany Christian Trust" and the "North Berwick Daycare Center," which does great work for the elderly in the community. Baking these goods for the church and giving that money from the goods to charities has inspired many people such as younger cousins, friends and siblings to bake things for the community and give the money they raised to charities. Soon you will see everyone making baked goods to sell for charity. Even though baking for a church seems like a small chore, it still greatly impacts my community. In the long run, every small task helps make our community a better place.
